Booking status comparison¹⁾

Comments

Bookings for current year

- As of 1st of March 2020 we had bookings for 2020 which was close to 80% of our 2020 budget sold with good booking momentum
- Over the last 30 days we have had EUR50m of 2020 bookings who have elected to rebook to 2021 or take a voucher that can be used for future bookings

Bookings for next year

- We are experiencing a very good traction for 2021 bookings in spite of the current Covid-19 pandemic
- We see strong demand for sailings in Norway both in the classic Hurtigruten voyage, but also for the Expedition sailings on the Norwegian Coast
- The main booking window for the 2021 season is from August-November 2020

Booking inflow last 30 days

- The figure to the left shows the inflow of bookings for 2021 the last 30 days compared to the same time last year for 2020
- Significant inflow of bookings in 2021 driven by rebookings
- Hurtigruten has had EUR8.9m in “new bookings” for 2021 since 1st of March which shows also that there is interest from new customers as well
- Last 7 days inflow of new bookings in Expedition is 80% of inflow in the same period last year
